

Dodge County Register Of Deeds

Online Disclaimer

Errors and Omissions: This is a working index and may contain errors and omissions due to errors in the preparation of the original document or in the indexing of the document. The indexes are double entry verified after they are recorded. It is recommended to search several different ways for each property, such as by both a "quick search" (party name) and an "advanced search" (combination of legal description and/or other pertinent information).

Images: The images are authentic reproductions of the actual document and the quality is usually good. However, blue or light-colored ink used on original documents will not reproduce well. Older documents may be illegible since there was no requirement for legibility until 1997.

Wall dates: The general rule is that the grantor-grantee (or party) index and the tract index (by legal description) is available the next working day after being recorded. The image is available by noon of the next working day after the date recorded. There are occasional exceptions due to equipment failure and high recording volumes.

Disclaimer for Internet Services: Use of this site also constitutes acceptance of the Dodge County Disclaimer for Internet Services.

Contact: Please contact us if you have questions about this website, to report any errors or omissions or if you must have more specific information about wall dates.
